Borsa MF-671

■ Borsa realizzata in morbido tessuto sintetico, impermeabile, antistrappo. Presenta due tasche frontali con cerniera, due tasche laterali con cerniera e lo scomparto principale di ottima capacità. La base con la soluzione del doppio fondo rigido, agevola ulteriormente lo stivaggio degli accessori. Il trasporto è facilitato da comode maniglie riunibili ed una cinghia con spallaccio imbottito.

■ Made from non-tear, water-proof, soft synthetic fabric, this carryall features two front and two side zippered pockets and a high-capacity main compartment. The base with hard double bottom makes for ease of storage. The carryall is equipped with two comfortable handles and a padded shoulder strap for ease of transport.

Borsa Special MF-4028

 Borsa divisa in due scomparti per il trasporto delle boilies ed altre esche deperibili e sensibili alla luce del sole. Il vano inferiore è in uno speciale materiale isotermico che mantiene la temperatura desiderata a lungo tempo. Il vano superiore, è diviso in scomparti che contengono otto contenitori in materiale acrilico. Assolutamente antiurto. La base della borsa è in gomma con speciali inserti anti-scivolo. Dotata di una tasca frontale e due laterali porta accessori, tutte a chiusura con cerniera, di uno spallaccio regolabile ed imbottito, una maniglia ergonomica in neoprene.

 Two-compartment bag for storage and transport of boilies and other perishable, light-sensitive bait. The bottom compartment is made from a special thermally-insulated material that maintains the desired temperature for a long time. The top compartment is divided into smaller compartments holding eight acrylic containers. The bag is shock-resistant and has a rubber base with special non-slip inserts. The bag further features one front pocket and two side accessory pockets, all zippered, an adjustable padded shoulder strap and an ergonomic neoprene handle.
